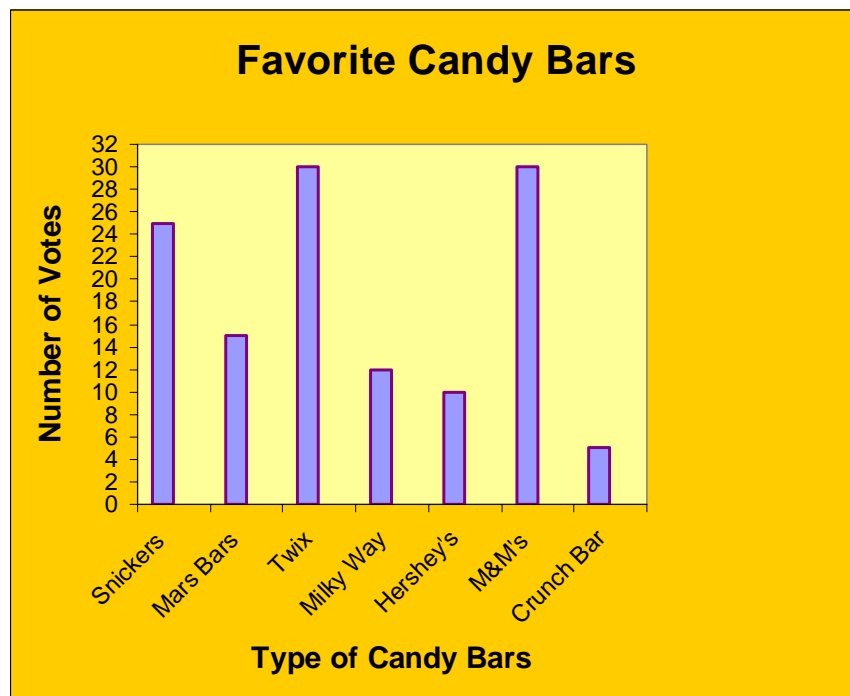

Graphic Sources
Charlie and the Chocolate Factory

Name: _____ Date: _____

- A **graphic source** shows information, such as a picture, graph, or map, visually
- As you read, compare the written words to the graphic sources for a better understanding of the main ideas.

Directions: Read the following passage and study the table. Then answer the questions below.

Barry Callebaut is the world's leading manufacturer of high-quality cocoa, chocolate and confectionery products, and has been dedicated to this business for more than 150 years. We operate more than 30 production facilities in 24 countries, employ approximately 8,000 people and generate sales of more than CHF 4 billion.

Our goal is to be Number One in all attractive customer segments and in all major world markets. We are committed to growing at least twice as fast as the global chocolate market.

Barry Callebaut is the only fully integrated chocolate company active throughout the entire value chain of chocolate production, able to serve its customers on a worldwide level, with consistent quality and more than 1,650 different recipes.

Category of Sales	Amount	Percentage
Cocoa	561	14%
Food Manufacturers	1,690	41%
Gourmet & Specialities	554	14%
Consumer Products	1,256	31%
